The Coach House benefits from its own integral garage/workshop which has potential to be converted into further accommodation.

There is ample parking and a detached outbuilding providing a gardener's w/c and further storage.

One of the highlights of the Coach House is the substantial fully covered outside area perfect for entertaining, whatever the weather. This area has gated access from the driveway so could provide additional storage for vehicles, if needed.

OUTSIDE

The property is approached via electric double gates that lead to a gravelled driveway with access to the Coach House and to the garage that serves the main house.

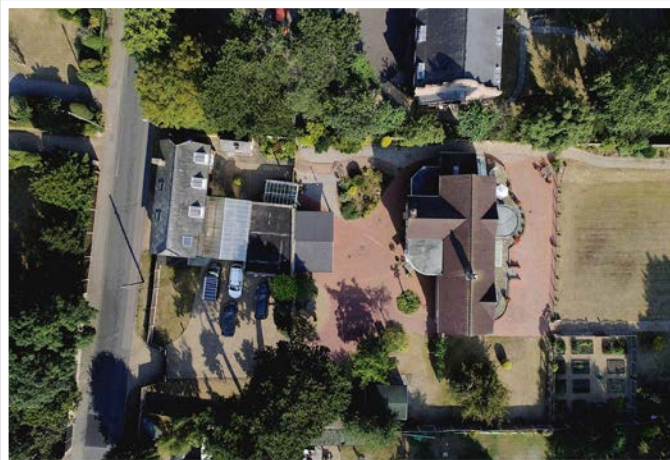

A second set of gates lead to the main house itself with a double bay cart lodge, extensive additional parking area and a lean to greenhouse.

Overall the whole plots extends to approximately 1.8 acres with the majority set to the rear of the property enjoying incredible privacy, a southerly aspect and truly stunning views out over Oulton Broad.

The substantial, immaculately kept, tiered grounds offer a large, split level sun terrace, perfect for entertaining. Extensive lawned gardens with a variety of mature trees, shrubs and flowering borders, and an enclosed vegetable garden.

As the gardens meet the water a footbridge gives access onto a private island which is naturally screened from the Broad.

The property offers extensive quay headed frontage onto the Broad with capacity to moor several boats. A generous dock leads to a slipway which in turn leads to the 50ft long dry boat house of timber construction under a thatch roof with dual sail lofts and an electric winch. There is also an additional covered dock approximately 28ft in length.

The waterside section of the grounds also offers a picturesque summerhouse and a raised sun terrace, both offering incredible vantage points from which to take in the simply magical views.

LOCATION

Oulton Broad plays host to a huge variety of waterborne activities including everything from paddle boarding to power boating and also offers access to the entire Norfolk Broads network and out to sea via Lowestoft and Lake Lothing.

The village itself offers a wealth of amenities and includes two railway stations with direct links to Norwich and then on to London Liverpool Street.
