OUTSIDE

The property is approached via a gravel driveway which provides parking for multiple vehicles. This leads to a double garage with power, light and two double doors. There is a lawned front garden enclosed by mature hedging.

The south west facing rear garden extends to another 130ft is mainly laid to lawn with a variety of mature trees, shrubs and flowering borders. Two footbridges provide access across two small dykes, home to reed beds, lilies and a host of bird life.

Leading out from the house there is a raised sun deck and covered seating area both providing excellent vantage points to sit and enjoy the view.

Between the garden and the mooring plot is the raised flood bank and running along the top of the bank is a public footpath which follows the River Bure, leading to Acle Bridge.

MOORING PLOT

On the other side of the pathway is a private mooring plot which is approximately 50ft long with a raised timber boardwalk. Leading down to the quay headed mooring which provides a private side on berth measuring approximately 42ft. The quay heading and boardwalk were replaced in 2021.

A fantastic facility ideal for boaters and fishermen alike with stunning views out over the River Bure.
