The attractive gardens wrap around three sides of the cottage and are laid mainly to lawn with a south facing sun terrace offering views over the private dyke and open countryside beyond, a mooring dock with slipway, gravelled driveway and garage.

Set in the highly regarded and unspoilt village of Irstead, with access to the entire Broads National Park, the cottage is equally suitable as a peaceful riverside residence, a perfectly placed second home or as a well appointed holiday let, and is available with no onward chain.

Maintained to a high standard by the current owners with recent improvements that include a refitted Shaker style kitchen finished with wooden worktops and upgraded electric heating.
