A beautifully presented and fully renovated single storey riverside cottage, set just off the River Bure in the sought after village of Horning.

Finished to a high standard with contemporary styling, yet retaining much of its traditional character, the property is a timber property underneath low maintenance composite cladding with a thatch roof that was replaced circa 2017.

Additional works included a brand new fitted kitchen with a comprehensive range of appliances, a remodelled master bedroom with new en-suite shower room, Karndean flooring and new composite quay heading.

The light and airy accommodation includes a generous living space with picture windows and French doors looking out over the water, leading out onto a river facing sun deck.

The master bedroom also has direct access outside with views out over the water.

The remaining two bedrooms are both doubles served by a large four-piece bathroom with bath and separate double shower enclosure.

Other features include off road parking for three cars and a large private mooring measuring approximately 90ft x 14ft with power and water.

The property is currently run as a well-established, successful holiday let with full contents available by separate negotiation.

Viewing recommended.
